Thank you for submitting your course to the Blackboard Exemplary Course Program (ECP) to be peer reviewed.

Next week I will assign reviewers. Please allow 4-6 weeks after that for reviews to be completed. Also, keep in mind many institutions will be heading into term-end testing, graduations, etc. so there may be delays in reviews.

I will keep you informed of the progress on your course.

Good luck!

Debbora Woods, ECP Manager
